INTRODUCTION:

Composite Regional Centre for Skill Development, Rehabilitation and Empowerment of Persons with Disabilities, Tripura under the administrative control of National Institute for Locomotor Disabilities (NILD), Kolkata, has been established for the Rehabilitation of Persons with Disabilities in the state of Tripura, by the Ministry of Social Justice & Empowerment, under the Persons with Disabilities Act (Equal Opportunities, Protection of Rights and full participation) in the Year November 2017, at Narsingarh, Tripura West. At present, the centre is functioning in the allotted building provided by Department of Social Welfare and Social Education in the premises of Juvenile Home, Narsingarh, Agartala.

OBJECTIVES of CRC - TRIPURA :

CRC TRIPURA, at its inception itself had projected multifarious activities to enhance the quality of life of persons with disabilities. Accordingly, the main objective of CRC has been identified as follows:

1. To serve as Resource Centre for rehabilitation and special education of persons with disabilities.
2. To undertake human resource development by training rehabilitation professionals, village level workers, multi -rehabilitation workers and other functionaries in Govt. and non-Govt. sector, required for providing services to persons with disabilities.
3. To undertake public education programs for creation of awareness in the parents and the community.
4. To undertake designing, fabrication and fitment of aids and appliances.
5. To undertake services of education and skill development leading to enhancement of opportunities for employment, rehabilitation, mobility communication recreation and integration in society.
6. To undertake research and development with specific reference to needs of diverse groups of people with disability, keeping in view the nature and severity of disability in the region.
7. To develop strategies for delivery of rehabilitation services suitable to the socio-cultural background of the region.
8. To stimulate growth of services by encouraging and supporting voluntary organization, parent groups and self-help groups.
9. To establish linkages with existing medical, educational and employment services, following the principles of community-based rehabilitation and offer extension services in the rural areas.

VISION OF CRC TRIPURA: -

To promote the rights and well-being of persons with disabilities in all spheres of society and development, and to increase awareness of the situation of persons with disabilities in every aspect of physical, political, social, economic and cultural life.

MISSION OF CRC TRIPURA: -

The mission of the CRC Tripura is through constant professional endeavors, empowering the person with disability to access the state of the habilitation intervention viz. educational therapeutic vocational, employment, leisure and social sports and cultural programmers and full participation.
