distribution of a plant sapling amongst the Divyangjan and to every single participant of the programme was taken up by the Director, CRCSRE- Tripura. And at last every one including the staff members of this centre has planted one sapling in the campus of CRCSRE- Tripura.

The plantation of trees is to save nature and provide the oxygen for fulfilling the deficiency in atmosphere and it was also noticed the value and importance of oxygen during the COVID-19 pandemic with a hope for a better environment in coming days.
